Wayne State School/College Requirements

***For students completing the MTA who are planning to pursue a Bachelor of Arts (BA) in Film or Media Arts and Studies at Wayne State University, please note that the BA carries a Foreign Language Requirement. At Wayne State, students must pass the second semester of a beginning foreign language sequence and take a Foreign Culture (FC) course. For Mott students, it is recommended that they take one language course as part of the "Humanities and Fine Arts" choices and complete the second language course at Mott as well. The MTA itself will satisfy the FC component of this language requirement so no FC course needs to be taken at Mott or Wayne State. Students who speak, read and write another language fluently may wish to test out at Wayne State for one or both semesters of the beginning language sequence. For students who need to start in the first course of a beginning language sequence, it is recommended that they complete the two-course language sequence where they start it, taking the courses in subsequent semesters for the best continuity and success.*

***If student needed to start foreign language with first course in sequence as part of MTA, complete second language course at Mott*
