

Articulation Agreement

Between

Washtenaw Community College

Associate in Applied Science (AAS) in Accounting, Associate in Arts (AA) in Business Administration, Associate in Applied Science (AAS) in Supply Chain Management with Michigan Transfer Agreement (MTA)

And

Wayne State University Mike Ilitch School of Business

Bachelor of Science in Business Administration (BSBA) in Accounting, Finance, Global Supply Chain Management, Information Systems, Management, or Marketing
Catalog Year 2022-23

This agreement made this 1st day of December 2021 is by and between Wayne State University (WSU) and Washtenaw Community College (WCC).

Wayne State University and Washtenaw Community College intend by this Agreement to set forth the terms and conditions of engaging in an educational program, to facilitate the transfer of students who earn an Associate in Arts (AA) in Business Administration, Associate in Applied Science (AAS) in Accounting, or Associate in Applied Science (AAS) in Supply Chain Management with Michigan Transfer Agreement (MTA) endorsement from Washtenaw Community College to earn a Bachelor of Science in Business Administration (BSBA) in Accounting, Finance, Global Supply Chain Management, Information Systems, Management, or Marketing from Wayne State University's Mike Ilitch School of Business.

Wayne State University and Washtenaw Community College may be referred to herein as a ("Party") and collectively ("Parties").

Article I

Agreement on Program Integrity

The Parties will maintain the integrity of their separate academic programs and enter into this agreement as equal and cooperating partner institutions.

Article II

Agreement on Principle

This agreement between WSU and WCC is intended to provide a smooth and seamless curriculum transition for WCC students who transfer to Wayne State University to earn a Bachelor of Science in Business Administration from the Mike Ilitch School of Business. The agreement is designed for students who follow a prescribed plan of study leading to the associate degree. The credits transferred from the associate degree, as outlined in the appendices to this document, will be included in the total credit hours required for the Wayne State University Bachelor of Science in Business Administration. All other standard admission, curriculum, and graduation requirements of WSU and WCC must also be met.

Article III
Agreement of Program Articulation

The Parties agree that any student, who has earned the prescribed associate degree, may transfer the credits from their program to the WSU Bachelor of Science in Business Administration, as outlined in the attached appendices.

This agreement specifically allows the transfer of up to eighty-two (82) credits from Washtenaw Community College to Wayne State University. This is beyond the currently stipulated sixty-four (64) credits approved by the WSU Board of Governors. The purpose of allowing WCC students to transfer additional credits is to enable them to complete the associate and Michigan Transfer Agreement at WCC in addition to completing the BSBA without duplication of coursework. The degree requirements for students who follow this articulation agreement are outlined in Attachment A.

Article IV
Agreement on Student Support

The Parties agree to track the progress and success of articulation participants. Responsibility for this tracking rests with the WSU Mike Ilitch School of Business and Washtenaw Community College.

Article V
Agreement on Communication

The Parties agree to cooperate in communication with each other and with common and respective publics concerning the established relationships between the two institutions. Communication will include the development of various kinds of publications to inform those who might benefit from the opportunities provided by this articulation agreement. The appropriate faculty and staff in both institutions will share the information in this agreement with interested and qualified students. Both institutions will provide academic advising to students and prospective students. Joint efforts in marketing the program and student recruiting will be pursued.

The Parties further agree to communicate annually concerning curriculum changes that may affect the agreed upon program relationship. Responsibility for communication related to this agreement will rest with the individuals appointed under Article VI.

Article VI
Agreement and Review Body Procedures

Each institution will appoint one or more faculty administrators to act as agents for the implementation of this agreement, and communicate changes to respective faculty members, advisors, and others to whom the information is pertinent. Responsibility for the oversight of this agreement rests with the Administration at the WSU Mike Ilitch School of Business and Washtenaw Community College.

Article VII
Regarding Independent Relationship

In the performance of their respective duties and obligations under this Agreement, each party is an independent contractor and neither is the agent, employee, or servant of the other, and each is responsible only for its own conduct. Each institution is responsible for the development and design of its own curriculum. Changes on the part of either party will/may necessitate review of this document.

Article VIII
Agreement not to Discriminate

Each party covenants and agrees that it does not discriminate on the basis of race, creed, color, age, sex, or national origin and it complies with the Americans with Disabilities Act of 1990, and that it does not discriminate on the basis of “physical or mental handicap” except where there exists a bona fide academic qualification.

Each party shall be separately responsible for compliance with all federal and state laws, including nondiscrimination laws and all applicable sections of the Michigan Handicapper’s Civil Rights Act. Illegal discrimination by either party may be considered a material breach of this Agreement.

Article IX
Entire Agreement

This Agreement constitutes the entire agreement between the parties, and all prior discussions, agreements, and understandings, whether verbal or in writing, are hereby merged into this Agreement.

Article X
Amendment/Modifications/or Terminations Provision

The Parties agree to the terms of this Agreement. No amendment or modification to this Agreement, including any modification or amendment of this paragraph, shall be effective unless the same is in writing and signed by all parties or their Successors.

This Agreement will be in effect immediately upon signature and will be subject to review for continuance after a period of four (4) years. Renewal will be for four years unless either party notifies the other in writing by December 31 of the year preceding the last year of the agreement of their intention to renegotiate or of non-renewal of this agreement. In the event that this Agreement must be terminated, all students currently enrolled in the program shall be allowed to complete the program as described.

Wayne State University - Bachelor of Science in Business Administration (Accounting, Finance, Global Supply Chain Management, Information Systems Management, Management, or Marketing)

Catalog Year 2021-2022

WSU requirement to graduate with distinction (Summa Cum Laude, Magna Cum Laude, Cum Laude)

A minimum of 56 hours in residence (hours completed at WSU) is required by the University to graduate with distinction.

WSU Business Major - Equivalent Courses at WCC

Pick one major. A maximum two (2) approved courses are applicable toward major.

<u>*Accounting Major (max two)</u>	<u>Credit Hrs.</u>
ACC 213 Intermediate Accounting I	3
ACC 214 Intermediate Accounting I	3
ACC 225 Managerial Cost Accounting	3

**All 3 ACCT. courses are eligible for transfer. However, only 2 of them will be applied toward the accounting major at WSU. If all three courses are completed and transferred, then a substitution will be selected to replace one of the three courses in the major at WSU. This third WCC course would then be applied toward remaining elective credit.*
